Subject: Letter of Support for Emily Smith's Green Card Application

Dear Sir/Madam,

I am writing to express my full support for my sister, Emily Smith, in her application for a green card. My name is John Smith, and as a U.S. citizen and local business owner, I have known Emily her entire life. I am well-acquainted with her character and the positive impact she has made on our family and community.

I wholeheartedly support Emily's application and believe she truly deserves this opportunity. She has shown remarkable integrity and dedication, not only in caring for our elderly parents but also in supporting her nieces and nephews. Her commitment to our family is both genuine and commendable.

In addition to her family responsibilities, Emily has been actively involved in our community. Last year, she organized a charity drive for our local food bank, raising over \$5,000 and mobilizing local businesses for additional support. She has also volunteered at the local shelter for the past three years, preparing and distributing meals and offering compassionate support to those in need.

For further context, I have attached copies of Emily's volunteer records and letters of appreciation from the food bank and shelter. These documents underscore the positive impact she has made.

In summary, Emily Smith's dedication to both her family and our community is unwavering. I am confident that granting her this green card will be beneficial for her and for the community she serves with such commitment. Should you need any additional information or clarification, please feel free to contact me.

Thank you for considering my letter of support.

Sincerely,

John Smith
